Denies Annexation Sentiments.
NEW YORK, July 25.—A letter has been received from Estrada Palma to Furio Reubens, in which the former denies the utterances in favor of the annexation of Cuba to the United States attributed to him, says a dispatch from Havana to the Tribune. He denies also that General Maximo Gomez made similar declaration on the same occasion and says that he (Palma) and Gomez both favor absolute independence and oppose annexation. The leaders of all political parties requested the immediate publication of the letter from Senor Palma.

To
those
who
know

The weathercock turns every way
the wind blows, but the successful
merchant must have a settled policy.
He must follow it without flinching.

Our policy is the selling of the best
groceries we can find. Of course the
prices of such goods must be higher
than of imitation brands but there
are enough people who know the difference.

We appeal to those who know.

WHAT
SACHS' DRY GOODS CO.

Can Do For You
For One Week.

FIRSTLY—Sell you Cotton Torchon Laces, with insertions to
match, from 1 to 3 1/2 inches wide, at 5c per yard, or 12 yards for
50c. That is

A Great Break in Laces

The price—5c per yard—should bring straight to our store, every
woman who has a possible need for laces. There is a very wide
range of patterns to choose from—regular Torchon designs. This
price one week only.

SECONDLY.

Teach You the Full Power of Money

by offering Japanese Silks, regularly sold at 50c per yard, at 35c
per yard, one week only. Women are buying Japanese Silks faster
than any other kind—the light, thin weaves in all colors—blues,
pinks, reds, orange, white, etc. They are the best of all for fancy
work. That's why the present offering is so important. The quality
is much finer than the low price indicates.

35c per yard for Japanese Silks

You must not jump at the conclusion that these silks are poor and
inferior because we name such a little figure for them. No woman
who knows Silks will make such a mistake. Think, 35c per yard.
